SUMMER READING PROGRAM

School is out and the summer reading programs have begun. Remind your children to be a part of the fun and join the summer reading program at your local library. Summer reading programs are always fun and exciting. We encourage all of our young readers to participate in the summer reading activities this summer.
NATIONAL GLAUCOMA AWARENESS WEEK
JUNE 11-17 2012

National Glaucoma Awareness Week highlights the condition of glaucoma and encourages people to go for regular eye tests, because if spotted early glaucoma can be avoided. People can lose vision and end up blind very quickly without really any warning. This happens when your eye's optic nerve is damaged. The nerve sends signals from your retina to your brain, so you can only begin to imagine how important it is for our sight!

SWGLAS CALLS FROM PATRONS

If we don’t answer, you may leave a message for us, but please speak slowly and clearly, especially when giving your name and listing numbers. When you leave a message on the answering machine, we will only return your call if we need more information about your request, or if you specifically request that we call you back. Otherwise, you may assume the materials you request will be sent to you when they are available. We appreciate your patience.

RETURNING BOOKS & BOOK REQUESTS

Before you mail a book back, double check that you have put the cartridge in the box, and that the number on the cartridge matches the number on the box. If you do slip up and send back an empty box, call us and we will return it to you so you can return the book.

If you are getting books that don’t interest you or that you don’t care for, call and let us know. We will do our best to adjust your profile and get you some books that you enjoy.
Mysteries

The Cat Who... is a novel series of murder mystery novels by Lilian Jackson Braun. This series is called the "Cat Who..." series because each book title in this series begins with the words "The Cat Who...".
