Teen Video Challenge

Videos Due by Friday, February 14 at 4 p.m.

The teen summer reading program theme for 2014 is “Spark a Reaction”. This year, we will be competing with libraries throughout the state of Georgia for the best video to promote the summer reading program. The state winner will then compete with other state winners for the best video in the country. Teens are invited to create a 30 to 90 second video with their unique interpretation of the 2014 teen slogan “Spark a Reaction”, in combination with reading and libraries. The idea is to involve teens in summer reading, before and during the summer months, by being part of the process. This is an opportunity for teens to showcase their creativity and have their ideas heard before statewide and national audiences. Shoot your movie at the Southwest Georgia Regional Library System and enter it in the contest. All videos are due to the Decatur County—Gilbert H. Gragg Library by Friday, February 14, 2014 at 4 p.m. State and national winners will win a cash prize from the Collaborative Summer Library Program (CSLP). Please call the Decatur County—Gilbert H. Gragg Library at 229.248.2665 for more information on the teen video challenge.

Trash or Treasure?
Bring old phone books, yearbooks, and photos to your library!

When you are cleaning house next, be on the lookout for treasure! Genealogists will love you forever if you decide to bring those ancient phone books, yearbooks, or old photos of the community to the public library for the genealogy collection.

Yes, those old things may have lasting value to the generations to come, but the only way the library will have them is if you bring them in to the library where they can be properly assessed, cataloged, and housed safely. So next time you have to do deep cleaning and find old community records, books, or photos, consider donating them to the local library for future generations to enjoy as they study their family and community histories!

You can bring these items to any of the libraries in Decatur, Miller, or Seminole Counties. During your next visit to the library, be sure to explore the genealogy rooms and view all of the resources available to the community, and see how your donation of old phone books, yearbooks, and community photos can enhance the library's collection.
